COUNTER Release 5 Usage Statistics

Clearer, more flexible, and more consistent reports

- OUP now provides COUNTER 5 compliant usage statistics
- This is a new industry-standard Code of Practice for consistent and credible usage reports, demonstrating the value of e-resources
- Release 5 is more flexible, with a Master Report that can be filtered according to your needs, and a range of Standard Views for Books and Journals, e.g. compare subscribed vs Open Access content
- Find out more about the new reports with our [FAQs](#), or explore COUNTER's [Friendly Guide to Release 5 for Librarians](#)

Updated Librarian Resource Center

A new, streamlined format

- New format reflects a more straightforward organization of the resources
- Find what you need to promote, manage, or learn more about your resources in fewer clicks
- <https://global.oup.com/academic/librarians>
- We will continue to evaluate and make updates where needed

Promote Your Resources

Promote your OUP resources to your patrons using our posters, bookmarks, web banners, search boxes, widgets, and more. US librarians can visit this page to find information and materials related to **Common Core**.

Please **contact us** with the names and quantities of any printed materials you'd like to request.

To find videos to help you get the most out of your resources, visit the **Learn About Your Resources** page, or visit our **YouTube channel** to watch promotional videos and learn more about the resources we have available.

Contact library.marketing@oup.com with any questions or request for printed materials
